

FUNDED FEES - EARLY YEARS FUNDING ENTITLEMENT (EYFE) FEE SUMMARY

For children accessing government funding

Fees - April 2026

The Government's Early Years Funding Entitlement (EYFE) is available for 38 weeks of the year (term time). As Bellissima is open 51 weeks per year, we have chosen to stretch the funding over our 51 week opening period using the following formulas:

15 hours free per week x 38 weeks = 570 hours per year / 51 weeks = 11.17 hours free per week or 47.5 hours free per month
Applies to: Together for 2's (TF2YO) and 3&4 Year Old - 15 hours (3&4YO15)

30 hours free per week x 38 weeks = 1140 hours per year / 51 weeks = 22.35 hours free per week or 95 hours free per month
Applies to: Under 2 Year Old (U2YOW), 2 Year Old (2YOW) and 3&4 Year Old - 30 hours (3&4YO30)

Hours attended are then calculated using the following formula: weekly hours x 51 weeks / 12 months. Funded hours are then deducted from your child's attended hours, with any remaining hours charged at the private hours rate shown below.
